## New Construction

**Client:**

Midwest Construction

**Contact:**

Glennis Zarecky

**Architect:**

RS Architects

**Project Specifications:**

5,616 sq/ft

**General Contractor:**

Midwest Construction

**Project Summary:**

FBS provided this building package for Midwest Construction. Midwest is a repeat business client with a long standing relationship with FBS. This project was delivered in the middle of a cold South Dakota winter (December 15th).

**Meet or Exceeding Owners Goals, Values and/or Expectations:**

FBS provided the package for the building, drive-thru canopy, along with the monument sign. Midwest utilized their installation crew and FBS supplied a factory technician to ensure the FBS quality. By using the FBS package, Midwest saved the expense of tenting exterior finishes in the middle of winter and had the speed of panels for their construction crew.

**Client Profile:**

Midwest Construction is a developer that has done several different product lines that vary in size from 4,800 sq/ft to 48,195 sq/ft. They are a well-respected developer in the South Dakota.
